

Rise n' Grind

#risengrind2018

Join in the fight against cystic fibrosis on 25 May by offering complimentary coffee at your café in exchange for a donation to Cystic Fibrosis Community Care.

Rise n' Grind is a fundraising event designed exclusively for café and coffee lovers. On our annual awareness day, choose the hours you want to provide complimentary coffee in exchange for a donation, decorate your café in red, and show the community your support for people with cystic fibrosis, a life threatening condition affecting thousands of young Australians.
